2. [ ] JMM) Senator Sam Nunn (D., Ga.) called to say he and some friends were planning a trip to Greece and Israel later this spring and wondered if we had any advice. I said for the moment I could only suggest he avoid El Al, and preferably stick to TWA nonstop to Athens. I said if he would give us his itinerary, when it was worked out, we would be glad to alert him to any trouble we saw brewing along his route.

3. [ ] - JGO) Received a call from Mrs. Grace Scott, in the office of Senator Bill Scott (R., Va.), who told me she has received a letter from an Agency employee who says he was brought here from Utah to work for CIA and has now been told by his Director that he is excess. Mrs. Scott asked what the appropriate action would be at this point for the Senator to take. After checking with [ ] OP, I told Mrs. Scott that the employee is on the Agency surplus list, that he has appealed this determination, and that the matter is under review. I told her it is too early to tell what the outcome will be and asked if I might call her in a week. She thanked me and said that she would hold the matter until my call.
